## **Mind Festival – Sarzana**

September 1-2-3, the first European Festival dedicated to mind's creative processes

**Festival della Mente** (Mind Festival) is taking place at the beginning of September in **Sarzana**, in province of La Spezia, close to Portovenere UNESCO site.

Scientific director is Gustavo Pietropolli Charmet and artistic director is Benedetta Marietti. Italian and International speakers propose meetings, readings, performances, workshops and cultural insights.

Topics will be the changes, energies and hopes for today's society with the aim to **promote scientific and humanistic culture** among the new generations in an easy and interesting way.

Meetings involve wide and inter-generational audience with an understandable language.

Over 500 volunteers collaborate to create an hospital and sharing atmosphere.

**From Friday September the 1st to Sunday September the 3rd 2017**
